Please remember to attach a voided blank check for account number verification. **ACH drafts are processed by Invoice Cloud, our online payment provider. Bank Draft will be effective immediately, and drafting will occur on the next due date. If you would like to receive email reminders and notifications, please register online.** In the event there are insufficient funds in your account to cover your utility bill, an NSF fee will be charged to your utility account for every unpaid debit. More than two instances of non-sufficient funds will result in automatic cancellation from Bank Draft. Abnormally high consumption can cause a larger amount than expected to be deducted from your account. After reviewing your bill, it is your responsibility to contact Toho Water Authority if your bill amount is higher than normal and you feel it is necessary to use an alternative payment method.

I authorize Toho Water Authority to initiate monthly debits and/or credits to my bank account at the financial institution named above.
